

"Get Salty"
(feat. @OKProgrammer)

Like the legend of the Raptor
All ends with beginnings
What keeps the crypto going
The force from the beginning

(Look)

We've come too far to give up who we are
So let's raise the bar and our salt to the mods

She's making jokes about herself
I'm up all night to get some
She hates RTM, and I'm about done
I'm up all night to get salty

We're up all night to the *ping*
We're up all night to get some
We're just waiting by a *bing*
We're up all night to get salty

We're up all night to get salty
We're up all night to get salty
We're up all night to get salty
We're up all night to get salty

The trivia has no ending
The raptor just keeps on giving
What is this I'm feeling?
If you wanna leave I'm with it (ah)

We've come too far to give up who we are
So let's raise the bar and our salt to the mods

She's making jokes about herself
I'm up all night to get some
She hates RTM, and I'm about done
I'm up all night to get salty

We're up all night to the *ping*
We're up all night to get some
We're just waiting by a *bing*
We're up all night to get salty
